Beachcomber Resorts & Hotels’ desire for each and every guest is to transport them into a carefree state of mind, suspended in bliss, giving them time to refresh, rejuvenate, discover the riches of the sea and some of the most magical spots on its shoreline. Some 65 years ago, the hotel group took the first steps on its distinguished journey as a pioneer of tourism and hospitality in Mauritius. It has since created eight spectacular holiday resorts on the island. With welcoming arms, it invites visitors to share in this bounty and experience exceptional holiday moments.

With exclusive representation in the local market, Beachcomber Tours South Africa brings this resplendent family of Beachcomber resorts to the South African public, placing island paradises, basking in a surfeit of natural gifts, within easy reach.

For your interest
We want the best for you. Planning a holiday can be both exciting and daunting. This is where Beachcomber Tours’ extensive experience proves a significant asset. To avoid disappointment, we recommend that you ensure the resort’s inclusions, facilities, food and beverage options, as well as the location, meet your expectations. Mauritius does not have an official resort grading system and while hotels may grade themselves in a particular category, the quality of their facilities and services may not match universally accepted standards.

West is best
The most equable climate, the most protected beaches, and picture-perfect sunsets characterise the west coast of Mauritius. Seven of Beachcomber’s eight properties are located along this coast, with the eighth resort occupying a prime location near the airport.

Award-winning products & services
Travel agents consistently recognise Beachcomber Tours as a leading tour operator to Mauritius. Our products and service to the retail travel trade and to the travelling public have earned us a reputation for efficiency and reliability. Among many airline and travel industry awards, we are proud to have been named Air Mauritius’ top supporter in the South African travel market for 10 consecutive years.

**THE BEAUTIFUL RITUALS**

_Beachcomber, the Art of Sharing Emotions_

The Art of Beautiful takes shape with Beachcomber’s special hospitality touches, affording experiences that awaken the senses and form exceptional memories.

**The Beautiful Cocktail**
Each year Beachcomber Resorts & Hotels holds a unique cocktail making competition for bar staff. The winning cocktail then becomes the Welcome Drink our guests enjoy upon arrival.

**The Beautiful Lights**
Embrace the art of sharing emotions as staff and guests gather to hear a message of peace read by children, participating in this experience by floating candles in the pool.

**The Beautiful Wedding**
The bride and groom mix sea sand from two jars to symbolise their union. The mixed sand is then returned to the ocean where the waves carry it as a message of love as far as the eyes can see.

**The Beautiful Story**
Seated on comfortable cushions or in the shade of a tree, our storyteller passionately relates tales of the country and the daily life of Mauritians, past and present.

**The Beautiful Neighbours**
Childhood knows no boundaries. A moment of sharing is organised at a kids’ tea party where the children of our guests mix with local children of nearby villages.

**The Beautiful Table**
A twist on the Captain’s Table at sea. Guests are invited to experience a tempting three-course meal of Mauritian signature dishes. The chef will even pass on the recipes to take home.

**The Beautiful Concert**
Classical music notes and a fresh cocktail at sunset. More than just a concert, this ritual is a friendly sharing of authentic Mauritian hospitality.

**The Beautiful Farewell**
It’s time to say goodbye. A personalised farewell letter signed by the Artisan of the Month thanks you warmly for your stay and bids you a fond farewell.

Most of the facilities are entirely free of charge, and we guarantee that if you’re willing to tear yourself away from the beach for a day, we have a sporting activity that will make you grateful you did. The natural terrain also makes it perfect for land sports, like abseiling, mountain biking and hiking, with scenery that will take your breath away as you explore the island. Each resort in the Beachcomber group has a comprehensive sports and entertainment programme, professionally managed by a highly qualified team.

Be active in paradise.

Each Beachcomber resort has a Groups Coordinator who will take care of all the arrangements prior to the arrival of your group and during their stay. Magical evening events are created in the grounds and on the beaches at the various resorts, where special themes may include an Indian evening, an authentic Mauritian evening, a taste of Morocco and many other awe-inspiring and exciting events. Daytime events can include a motorcar rally, a biking tour, hiking and even canoeing and abseiling. Modern, world-class conference facilities are available at most resorts, while all-inclusive package options (Royal Palm Beachcomber excluded) are available to allow companies to budget accurately for their incentive groups.
