For your interest
We want the best for you. Planning a holiday can be both exciting and daunting. This is where Beachcomber Tours’ extensive experience proves a significant asset. To avoid disappointment, we recommend that you ensure the resort’s inclusions, facilities, food and beverage options, as well as the location, meet your expectations. Mauritius does not have an official resort grading system and while hotels may grade themselves in a particular category, the quality of their facilities and services may not match universally accepted standards.

West is Best
The most equable climate, the most protected beaches, and picture-perfect sunsets characterise the west coast of Mauritius. Seven of Beachcomber’s eight properties are located along this coast, with the eighth resort occupying a prime location near the airport.

Award-winning products & services
Our products and services have earned us a reputation for efficiency and reliability. Travel agents and airlines consistently acknowledge Beachcomber Tours as a leading tour operator to the Indian Ocean. Among many airline and travel industry awards, we are proud to have been named Air Mauritius’ top supporter for nine consecutive years.

The Art of Beautiful takes shape with Beachcomber’s eight Beautiful Rituals appealing to your sense of sight, touch, taste, hearing and smell.

**The Beautiful Cocktail**
Each year Beachcomber Resorts & Hotels holds a unique cocktail making competition for bar staff. The winning cocktail then becomes the Welcome Drink our guests enjoy upon arrival.

**The Beautiful Lights**
Embrace the art of sharing emotions as staff and guests gather to hear a message of peace read by children, participating in this experience by releasing floating candles into the pool.

**The Beautiful Wedding**
The bride and groom mix sand from two jars to symbolise their union. The mixed sand is then returned to the ocean where the waves carry it as a message of love as far as the eyes can see.

**The Beautiful Story**
Seated on comfortable cushions or in the shade of a tree, our storyteller passionately relates tales of the country and the daily life of Mauritians, past and present.

**The Beautiful Table**
A twist on the Captain’s Table at sea. Guests are invited to experience a tempting three-course meal of Mauritian signature dishes. The chef will even give you the recipes to take home.

**The Beautiful Concert**
Classical music notes and a fresh cocktail at sunset. More than just a concert, this ritual is a friendly sharing of authentic Mauritian hospitality.

**The Beautiful Neighbours**
Childhood knows no boundaries. A moment of sharing is organised at a kids’ tea party where the children of our guests mix with local children of nearby villages.

**The Beautiful Farewell**
It’s time to say goodbye. A personalised farewell letter signed by the Artisan of the Month thanks you warmly for your stay and bids you a fond farewell.
